AM's Screen Cleaning Tissues

Introducing AM's Screen Cleaning Tissues, the ultimate solution for maintaining cleanliness of your screens. This powerful product provides thorough cleaning, cutting through dust, grime, and grease to present a spotless, clear screen for all your devices.

- Packed in conveniently portable, individual sets.
- Suitable for a range of screens, including televisions, monitors, laptops, tablets, phones, scanners and cameras.
- Efficiently eliminates dirt, dust and grease.
- Promises an alcohol-free formulation, ensuring safe use.
- Each package includes sets of wet and dry tissues.

Individually Packed Sets
AM Screen Cleaning Tissues come in 10 individually packed sets making them convenient for you to carry around. Whether you're at the home, in office, or on the go, these cleaning tissues can always be at your hand reach.

Compatible With All Screens
Our AM Screen Cleaning Tissues come with the versatility of cleaning a range of screens. They can be used on TVs, monitors, laptops, tablets, phones, scanners, and cameras - essentially, any device that contains a screen.

Removes Dirt, Dust, and Grease
The effective formulation of these tissues rapidly breaks down and removes unsightly dirt, dust and greasy fingerprints. Your screens will be left looking professionally clean, with no streaks or residue.

Alcohol-Free Formulation
AM Screen Cleaning Tissues are alcohol-free, ensuring that they won't damage the delicate surface of your screens. This also make it safe and suitable to use around children and pets.

Includes Wet and Dry Tissues
Each AM Screen Cleaning set provides a complete cleaning solution with both wet and dry tissues. The wet tissue is used first for cleaning, and the dry tissue provides a final polish.

Package Includes

- 10 sets of individually packed Screen Cleaning Tissues (Each set containing one wet and one dry tissue)
