Introducing the Bluelounge CableCoil Mini - 9-pack - Ombre Blush, your essential cable protector that ensures your device cables are safeguarded with style. The CableCoil Mini extends the lifespan of your cherished cables and adds a touch of elegance to your tech essentials with its ombre blush colour palette. Ideal for preserving the integrity of various cable types, from cell phones to laptop chargers, the CableCoil Mini is a functional yet fashionable accessory for any tech user.

- Keep Your Cables Intact and Functional
- Prolongs the life of your cables
- Made with durable and flexible material
- Easy to install
- Compatible with most standard-size cables
- Designed with a colourful, nonslip material

Prolongs the Life of Your Cables
Protect and extend the life of your device cables effortlessly with the Bluelounge CableCoil Mini. These protectors are crafted to shield your cables from damage, preventing tears, breaks, and fraying. With the CableCoil Mini, costly repairs or replacements have become a thing of the past, ensuring your cables remain pristine.

Made with Durable and Flexible Material
Conceived with longevity in mind, the CableCoil Mini is produced using a durable, flexible, nonslip material. This robust construction allows it to effectively minimize damage from daily wear and tear, helping your cables withstand the test of time while maintaining their function and appearance.

Easy to Install
The CableCoil Mini is designed for simplicity and convenience, allowing you to safeguard your cables quickly and with ease. Just twist the CableCoil Mini around your wire, and it instantly forms a protective, supportive sleeve, saving you time and effort while providing long-term cable protection.

Compatible with Most Standard-Size Cables
With versatility at its core, the CableCoil Mini fits most standard-size cables, cell phone or tablet chargers, headphone wires, and other small computer cables. It is the go-to solution for varied tech users seeking cable protection for their devices.

Designed with a Colorful, Nonslip Material
Style meets function with the CableCoil Mini's vibrant ombre blush colours. Apart from protective qualities, these cable protectors grant your tech gear a touch of personality and sophistication. The nonslip material ensures your protected cables stay put, providing aesthetics and practicality.
