myFirst Camera 2 8 MP - Blue

Spark creativity and capture childhood adventures with myFirst Camera 2. Designed for kids aged 3 to 12, this lightweight, durable camera delivers real photo and video quality in a kid-safe package. With an IPX8 waterproof case, a bright color display, and fun frames, it turns every outing into a photo mission while building confidence and creativity.

- IPX8 waterproof and shockproof case
- High quality 8 MP photos and Full HD videos
- Lightweight design with long lasting 1000 mAh battery
- 5.1 cm IPS display with kid friendly interface
- Fun preloaded frames and expandable storage up to 32 GB

IPX8 waterproof and shockproof case
Built for adventure, the included IPX8 case protects the camera from drops and lets kids shoot underwater down to 3 m for up to 180 minutes. Reinforced high strength polymers keep the camera safe at the pool, beach, or playground, so kids can focus on the fun.

High quality 8 MP photos and Full HD videos
An 8 megapixel sensor captures sharp 3264 x 2448 photos and smooth 1920 x 1080 videos. Children get real results they can be proud of, making it perfect for creative learning, school projects, and family memories.

Lightweight design with long lasting 1000 mAh battery
Weighing only 67 g, the camera is easy for small hands to hold and carry. The 1000 mAh battery supports hours of shooting, so kids can keep exploring and snapping without frequent recharging.

5.1 cm IPS display with kid friendly interface
The 5.1 cm color IPS screen shows vivid, bright images and makes framing shots simple. A clear, intuitive interface helps young photographers learn quickly and enjoy the process from the first click.

Fun preloaded frames and expandable storage up to 32 GB
Built in photo frames add playful flair to every shot. With microSD support up to 32 GB, there is plenty of space for thousands of photos and videos, so nothing gets left behind.
