

Unleash the full potential of your legacy USB-A devices with the ALOGIC Ultra Mini USB-C to USB-A Adapter. Designed to bridge the connectivity gap between USB-C and USB-A, this sleek, high-quality adapter ensures seamless data transfer and charging so you can keep using your existing peripherals with your new USB-C-equipped device.

- Compact Convenience
- High-Speed Data Transfer
- Exceptional Build Quality
- Plug and Play Simplicity
- Full Compatibility

Compact Convenience

Experience a hassle-free connection with the ALOGIC Ultra Mini USB-C to USB-A Adapter, a small but mighty solution for connecting your USB-A devices to a USB-C port. Its minimal design makes it easy to take with you anywhere, allowing you to charge and sync on the go.

High-Speed Data Transfer

Don't wait for your files to transfer. With this adapter, you benefit from the superfast data rate of USB 3.1 GEN 1, boasting speeds of up to 5Gbps. Sync your music, photos, and documents quickly and easily, ensuring you have more time to focus on what's important.

Exceptional Build Quality

Constructed from premium materials, the ALOGIC Ultra Mini Adapter isn't just about looks—it's built to last. The metal alloy jacket and TPE provide sturdy support and finish, offering enhanced durability for a long-lasting performance that exceeds expectations.

Plug and Play Simplicity

The ALOGIC Ultra Mini ensures seamless connectivity without complex hardware or software installations. Just plug in, and you're ready to go. It simplifies your workflow with an effortless USB-A to USB-C connection.

Full Compatibility

Designed for universal use, the adapter connects any USB-A device to a USB-C port, making it a versatile companion for your computer, tablet, or phone. It allows you to charge or manage your devices regardless of their USB preferences.
