myFirst CareBuds Max - Blueberry Pop

CareBuds Max are premium over-ear headphones made for active kids, with all-day comfort, safer listening modes, and smart features that fit everyday life at home, at school, and on the move.

- Wireless Audio Sharing for two kids on one device
- Interchangeable ear pads for summer cooling and winter warmth
- Smart Transparency for better awareness while moving
- Dual Volume Control with 85 dB Safe Mode and 94 dB Travel Mode
- Clearer calls with ENC background noise filtering

Wireless Audio Sharing for two kids on one device
CareBuds Max make it easy for two children to listen together from a single phone, tablet, or computer. It's ideal for shared movies, lessons, and quiet playtime, without needing a second audio source.

Interchangeable ear pads for summer cooling and winter warmth
Designed for all-season comfort, CareBuds Max include two different ear pad sets that can be swapped in seconds. The cooling fabric pads are breathable and help release heat in warmer weather, while the plush pads add warmth and softness when temperatures drop.

Smart Transparency for better awareness while moving
When your child starts moving, Smart Transparency automatically lets in ambient sound to improve awareness of what's happening around them. This helps support safer use during walking, outdoor play, and commuting.

Dual Volume Control with 85 dB Safe Mode and 94 dB Travel Mode
Switch between two volume limits depending on the situation. Safe Mode is set to 85 dB for everyday listening, while Travel Mode allows up to 94 dB to help overcome louder environments like airplanes or busy streets, while still keeping hearing safety a priority.

Clearer calls with ENC background noise filtering
Built-in Environmental Noise Cancellation helps reduce distracting background noise so your child can hear more clearly and be heard more clearly during calls, even in noisier places.

Package includes:

- myFirst CareBuds Max headphones
- Cooling fabric ear pads (summer set)
- Plush ear pads (winter set)
- USB-C cable

Product specifications:

- Model: CareBuds Max
- Colour: Blueberry Pop
- Driver unit: 40 mm dynamic
- Impedance: 320 ohms
- Frequency response: 20 Hz to 20 kHz
- Sensitivity: 85 dB +/- 3 dB and 94 dB +/- 3 dB
- Bluetooth version: 6.0
- Wireless range: up to 15 m
- Weight: 146 g
- Battery capacity: 500 mAh lithium polymer
- Playtime: up to 52 hours at 50 percent volume
- Charging port: USB-C
- Fast charging: 10 minutes for up to 8 hours, full charge in 1.5 to 2 hours
- Wired use: supports audio via USB-C when battery is low
