

The sleek and robust ALOGIC Ultra USB-C Dock UNI V2 will enhance your productivity and streamline your workspace. Offering a seamless combination of style and functionality, this 6-in-1 ultra dock is the ultimate upgrade to connect all your devices effortlessly.

- High-Resolution HDMI 4K@60Hz Output
- Integrated USB-C and USB-A Ports
- Memory Card Compatibility
- Durable Metal Alloy Construction
- Rapid 100W Power Delivery

High-Resolution HDMI 4K@60Hz Output

Experience the brilliance of 4K Ultra HD with the ALOGIC Ultra Dock UNI V2. Bring your screen to life with crystal clear 4K content at a refreshing 60Hz framerate. For detailed presentations or immersive entertainment, expect flawless video performance for all your display needs.

Integrated USB-C and USB-A Ports

Connectivity is vital in any work environment. The ALOGIC Ultra Dock employs various ports, including USB-C and USB-A, to accommodate essential peripherals like keyboards, mice, printers, and phones. This ensures a more efficient and connected workspace tailored to your peripherals.

Memory Card Compatibility

Transferring multimedia files has never been quicker. The ALOGIC Ultra Dock UNI V2 has both SD and microSD card slots, enabling rapid access to photos and videos. This simplifies your workflow, making data management both swift and straightforward.

Durable Metal Alloy Construction

Constructed from a high-quality metal alloy, the ALOGIC Ultra Dock UNI V2 is designed to handle the daily rigours of a professional environment. Its robustness does not compromise on style, providing a sleek design that complements any setup.

Rapid 100W Power Delivery

Stay charged and ready to go. The ALOGIC Ultra Dock supports up to 100W power delivery to your USB-C-powered devices. This means faster charging times, keeping you productive without any power downtime.
