ALOGIC Ultra USB-C to HDMI 4K @60Hz adapter - Space gray

Introducing the ALOGIC Ultra USB-C to HDMI 4K @60Hz adapter, a premium, versatile solution for connecting your USB-C-enabled computer to an HDMI-enabled display device, like a TV, Monitor, or Projector. Offering audio and video resolution up to 4K Ultra HD, this adapter is compatible with Thunderbolt 3 ports and is portable and durable in design.

- Ultra-Portable
- Ultra-Convenient
- Ultra-Built Quality
- High Resolution
- Broad Compatibility

Ultra-Portable
The ALOGIC Ultra USB-C to HDMI adapter is incredibly portable, designed in a compact form factor and lightweight structure. It is ideal to carry anywhere in your laptop or a carrying case, ensuring you're always close to a powerful connection.

Ultra-Convenient
Experience the ultimate convenience with our ALOGIC adapter. With its USB-C connector's reversible design, you can plug in either way. The adapter requires no drivers or software to be installed, and an intelligent LED indicator shows when the adapter is connected and ready for use.

Ultra-Built Quality
The ALOGIC Ultra range of adapters is built from premium materials for an elegant look and long-lasting strength. Its unibody aluminium design ensures the best fit, finish, and durability for long-lasting use. Its cable construction is designed with a tough and flexible TPE jacket, making it easy to use daily and ensuring maximum longevity.

High Resolution
Get ready for impressive visuals as this adapter supports display resolutions up to 4K Ultra HD (3840x 2160) - 60Hz. Hook your computer to your HDMI-enabled TV, Monitor, or Projector to enjoy crystal-clear images.

Broad Compatibility
Not just limited to a specific device, this ALOGIC adapter is not just compatible with USB-C ports on all computers (Windows/Mac/Chromebooks) with DisplayPort pass through, but also with Thunderbolt 3 ports - opening up a world of options for your connectivity needs.
