

Make every connection count. The ALOGIC Ultra USB-C to USB-A Adapter delivers fast data transfers, reliable charging, and rugged durability in a compact 15 cm design. Built from premium materials and engineered for daily use, it's the easy way to connect your USB-C phones, tablets, and laptops to USB-A accessories at home, at work, or on the go.

- Super Ultra rugged construction
- Fast 5 Gbps data transfer with up to 3 A charging
- Compact, lightweight 15 cm design
- Premium materials for maximum durability
- Universal compatibility across USB-C devices and USB-A peripherals

Super Ultra rugged construction

Designed to go the distance. The Ultra adapter strengthens the cable core with synthetic fibre and reinforces it with flexible double-braided nylon. A resilient TPE strain relief and metal alloy housing protect against kinks, bends, and daily wear, ensuring a longer lifespan than standard cables and adapters.

Fast 5 Gbps data transfer with up to 3 A charging

Move more in less time. Enjoy USB 3.1 Gen 1 data speeds up to 5 Gbps for rapid syncing of photos, videos, music, and files. When connected to a suitable USB-A power source, the adapter can deliver up to 3 A to charge compatible USB-C devices efficiently.

Compact, lightweight 15 cm design

Built for portability and tidy setups. At just 15 cm, the short cable keeps your desk clean, reduces clutter in your bag, and minimizes strain on ports when you're working from a laptop stand, docking station, or shared workspace.

Premium materials for maximum durability

Crafted from double-braided nylon, a tough metal alloy shell, and TPE strain relief, this adapter combines strength with style. The Space Gray finish complements modern devices while the reinforced build resists fraying, tangling, and everyday knocks.

Universal compatibility across USB-C devices and USB-A peripherals

Connect with confidence. Plug USB-C phones, tablets, and laptops into USB-A flash drives, card readers, keyboards, mice, and more. It's the simple, reliable bridge between your latest USB-C device and your trusted USB-A accessories.

Package includes

- ALOGIC Ultra USB-C to USB-A Adapter, 15 cm - Space Grey

Product specifications

- Brand: ALOGIC
- Model: Ultra USB-C to USB-A Adapter
- Data transfer rate: USB 3.1 Gen 1 up to 5 Gbps
- Power output: Up to 3 A (device and charger dependent)
- Input: USB-C male x 1
- Output: USB-A female x 1
- Cable length: 15 cm
- Materials: Double-braided nylon cable, TPE strain relief, metal alloy housing
- Physical dimensions (connector body): 49.50 mm (L) x 18 mm (W) x 9.50 mm (H)
- Colour: Space Grey
- Warranty: 2 years
