ALOGIC USB-C Fusion CORE 5 in 1 V2 HDMI & USB Hub - Space gray

ALOGIC presents the elegantly designed ALOGIC USB-C Fusion CORE 5 in 1 V2 HDMI & USB Hub – Space Grey, the quintessential companion for your USB-C-enabled devices. Enhance your digital workspace with this compact and multifunctional hub, engineered to expand your device's connectivity options with universal compatibility. Whether at home, in the office, or on the go, upgrade your productivity and connect easily.

- Five versatile ports: 3 USB-A ports, 1 USB-C port, and 1 HDMI output
- 100W Power Delivery for continuous charging
- 4K HDMI video support for crystal-clear detail
- Super-fast 5Gbps data transfer speed
- EMI Shielding to minimize interference

Versatile Ports for Enhanced Utility
The Fusion CORE hub is a powerhouse of connectivity, offering three USB-A 3.1 Gen 1 ports, one USB-C 3.1 Gen 1 port featuring 100W Power Delivery, and an HDMI port that supports up to 4K resolution at 60Hz. This array of ports significantly enhances your device's capabilities to connect multiple peripherals simultaneously.

Power Delivery that Keeps You Charged Up
The hub's USB-C 3.1 Gen 1 port delivers up to 100W power delivery, keeping your devices fully charged and ready for action. This ensures that even while you're multitasking with various peripherals, your main device, be it a MacBook, iPad Pro, or other compatible USB-C device, remains charged and operational.

Crisp, Clear 4K HDMI Video
Immerse yourself in the world of ultra-high-definition video. The Fusion CORE hub connects an external display with up to 4K resolution at 60Hz, perfect for high-resolution presentations, video production, or simply enjoying your favourite media in stunning clarity.

Swift Data Transfer
Elevate your efficiency with a hub that ensures rapid data access and transfer. With a data transfer rate of up to 5Gbps, you'll find syncing photos, videos, and other large files a breeze, significantly reducing wait times and boosting productivity.

Minimized Interference with EMI Shielding
The hub features comprehensive EMI shielding to guarantee optimal performance and is free from Wi-Fi and other wireless transmission interferences. This ensures that your connections are consistent and stable for a seamless user experience.

Portable & Sleek
Designed for easy portability, the ALOGIC USB-C Fusion CORE Hub is functional and boasts a slim and compact design. Crafted with smart cable management and a Space Grey finish, it complements your device, making it appear as a natural extension while keeping your workspace neat and organized.

Package includes

- ALOGIC USB-C Fusion CORE 5 in 1 V2 HDMI & USB Hub – Space Grey

Product specifications

- Colour: Space Grey
- Ports: 3 x USB-A 3.1 Gen 1, 1 x USB-C 3.1 Gen 1 with 100W PD, 1 x HDMI 4K@60Hz
- Transfer Speed: Up to 5Gbps
- EMI Shielding for interference protection
- Plug & Play: No additional software or drivers needed
- Compatibility: Compatible with USB-C-enabled devices; not all USB-C ports support video output. Check for DisplayPort or Thunderbolt logo for video output capability.
