

The Satechi USB-C 4K 60 Hz HDMI Adapter beautifully integrates your USB-C device's power with the HDMI monitor's visual brilliance. Encased in a stylish space grey brushed aluminium finish, this adapter effortlessly supports 4K resolution and a 60Hz refresh rate. Experience seamless plug-and-play functionality and compatibility with a broad range of Type-C devices.

- USB-C Connection
- 60Hz Refresh Rate Capability
- 4K Resolution Support
- Streamlined Design
- Easy Plug & Play Functionality

USB-C Connection

Satechi's adapter is built to utilize the convenience of your Type-C device's connectivity fully. Connect the USB-C port of your device with the adapter to establish a reliable, robust link.

60Hz Refresh Rate Capability

Flicker-free video streaming is a hallmark of this adapter. It can support a 60Hz refresh rate, and you can enjoy the fluid motion and high-quality visuals, whether you're watching your favourite TV shows, and movies or working on a high-resolution graphics project.

4K Resolution Support

The adapter brings 4K entertainment directly to your HDMI-equipped monitor. Experience ultra-high-definition display and paramount clarity, that makes every detail more pronounced and every colour more vibrant.

Please note that your external monitor should be HDMI-compatible to support this feature.

Streamlined Design

Our adapter flaunts an elegant brushed aluminium finish in a sleek space grey design that complements your Type-C laptop and external monitor, adding a premium touch to your workspace.

Easy Plug & Play Functionality

Just plug in your HDMI cable to the adapter; no complicated installation or drivers are necessary. Our adapter makes adapting to high-quality streaming straightforward.

Package Includes

- Satechi USB-C 4K 60 Hz HDMI Adapter - Space Grey
