SATECHI

Satechi USB-C Pro Hub - Space gray

Boost your laptop's functionality with the high-powered Satechi USB-C Pro Hub. Featuring several essential expansion ports, including a Gigabit Ethernet port and a 4K HDMI output, this hub is the perfect companion for USB-C MacBook Pro users seeking to maximize their devices' potential.

- Multi-function USB-C Expansion Hub
- Gigabit Ethernet Connectivity
- USB-C PD Charging Support
- 4K HDMI Video Output
- Sleek, Modern Design

Multi-function USB-C Expansion Hub
Add more capabilities to your MacBook Pro using the Satechi Type-C Pro Hub. Its expansion ports include a USB-C PD charging port, a micro SD card slot, and two USB 3.0 ports, allowing you to connect diverse peripherals and charge your laptop simultaneously. Please note that the Apple SuperDrive is not supported and only one hard drive can be connected simultaneously.

Gigabit Ethernet Connectivity
Bask in the convenience of a fast, wired network connection anywhere you are. The Pro Hub’s Gigabit Ethernet port is ideal for transferring large files efficiently or creating a secure network in areas with weak Wi-Fi connections. With speeds supporting 10/100/1000Mbps, seamless connectivity is within reach.

USB-C PD Charging Support
Charge your USB-C devices efficiently with the Pro Hub's USB-C PD charging port. With a power delivery of up to 87W, you can ensure your devices stay powered up even while you're busy transferring data.

4K HDMI Video Output
Experience high-definition display like no other. Utilizing the Pro Hub’s 4K HDMI output, you can enjoy crystal-clear video on compatible 4K monitors. Remember, a direct HDMI to HDMI connection is needed to use this feature.

Sleek, Modern Design
Benefit from a design that harmonizes beautifully with your modern desk setup. Featuring a brushed aluminium finish in Space grey, the Satechi USB-C Pro Hub offers both function and aesthetics, ideal for a sleek and timeless appeal.

Package includes

- Satechi USB-C Pro Hub - Space Grey
