

## Satechi Slim USB-C MultiPort w. Ethernet - HDMI, USB 3.0 Ports and card reader - Space Grey

Upgrade your workspace with the Satechi Slim USB-C MultiPort w. Ethernet - HDMI, USB 3.0 Ports and card reader - Space Grey. This compact and stylish adapter combines seven indispensable ports into one sleek unit. It comes packed with a Gigabit Ethernet, 4K HDMI (30Hz), USB-C PD charging, two USB-A 3.0 ports, and micro/SD card readers, all designed to optimize your work efficiency.

- Integrated Gigabit Ethernet Port
- Stunning 4K HDMI Display
- Power and peripherals in one
- Sleek, Ultra-Compact Design
- Specifications to suit your needs

### Integrated Gigabit Ethernet Port

The Satechi Slim USB-C MultiPort Adapter comes with a new Gigabit Ethernet port. This invaluable feature ensures a stable network connection, making it perfect for work in areas with spotty Wi-Fi, or while in hotel rooms. Crisp connectivity is at your fingertips.

### Stunning 4K HDMI Display

Experience the best visual tech with a high-resolution display connecting to any HDMI-enabled monitor. With a HDMI cable (2.0 or higher) from your monitor to the adapter, you can enjoy brilliant video output up to 4K @ 30Hz. An HDMI to HDMI connection is required for the best experience.

### Power & Peripherals

Meet your power needs with the USB-C PD charging port that keeps your setup up to 60W. The handy micro/SD card readers and two USB-A ports enable easy transfer and backup of files wherever you go.

### Sleek, Ultra-Compact Design

The Satechi Slim USB-C MultiPort Adapter has a modern, slim form factor that espouses practicality without compromising peripheral access. It's the perfect portable workspace partner.

### Package includes

- 1 Satechi Slim USB-C MultiPort w. Ethernet - HDMI, USB 3.0 Ports and card reader - Space Grey.

### Product specifications
