Premium Aluminium Design

Crafted with a focus on aesthetics and durability, the ALOGIC Thunderbolt 4 BLAZE Compact Hub boasts a premium aluminium construction. This design complements any workspace and ensures that your hub maintains its integrity through extensive use.

Blazing-fast Data Transfer

Experience unparalleled performance with Thunderbolt speeds. The ALOGIC Thunderbolt 4 BLAZE Compact Hub offers a colossal 40Gbps bandwidth. This allows you to connect high-speed peripherals like external hard drives efficiently, making it ideal for when speed and performance are paramount.

Dual 4K Display Support

Expand your visual capacity with dual monitor support from the BLAZE Hub. Whether you are using Thunderbolt 3 or 4, drive dual 4K monitors at 60Hz, and for USB-C USB 3. x users, enjoy up to a single 4K monitor at the same crisp rate. Perfect for creative professionals looking to maximize their screen real estate.

Up to 60W Power Delivery

The ALOGIC BLAZE Hub isn't just about data transfer and display connections; it also efficiently charges your laptop. With up to 60W power delivery, keep your computer powered through lengthy work sessions, all via a single cable, for a cleaner, more organized workspace.

Multi-device Connectivity

Connectivity is at the forefront with three Thunderbolt 4 / USB 4.0 ports alongside one USB-A port. The ALOGIC Thunderbolt 4 BLAZE Compact Hub allows you to charge devices, transfer data, or expand your workstation with multiple peripherals.
