Twelve South SurfacePad for iPhone 11 Pro Max - Blue

SurfacePad by Twelve South is an ultra-slim, full-grain leather wallet case for iPhone 11 Pro Max. It protects the front and back, holds two cards and folds into a stand for hands-free viewing, while keeping your iPhone's design visible.

- Ultra-slim full-grain leather cover for front and back protection
- Built-in stand for hands-free viewing and video calls
- Two card slots for everyday essentials
- Automatic wake and sleep when opening and closing the cover, where supported
- Compatible with Qi wireless charging

Ultra-slim full-grain leather cover for front and back protection
Designed specifically for iPhone 11 Pro Max, SurfacePad provides lightweight protection against everyday scratches and minor bumps from contact with desks, countertops and keys in your bag. The full-grain leather naturally develops a patina over time, giving each cover its own character. Its slim profile keeps your phone easy to slip into a pocket without the bulk of a traditional case.

Built-in stand for hands-free viewing and video calls
Fold the back of SurfacePad to support your iPhone 11 Pro Max in landscape mode. The integrated stand frees your hands while you watch films, follow recipes, catch game highlights or join a FaceTime call. You can also use it to take selfies or share presentations.

Two card slots for everyday essentials
Two precision-cut slots inside the front cover hold essentials such as your ID and a bank card. Use them alongside Apple Wallet to keep supported cards and tickets on your iPhone and physical cards close at hand. When you only need the basics, SurfacePad offers a compact alternative to a separate wallet or purse.

Automatic wake and sleep when opening and closing the cover
Where supported by compatible iPhone features, SurfacePad automatically wakes the screen when you open the front cover and puts it to sleep when you close it. This reduces the need to press a button and can help preserve battery life.

Compatible with Qi wireless charging
SurfacePad lets you charge your iPhone 11 Pro Max on a compatible Qi wireless charging pad without removing the case. Its front and back protection, card storage and built-in stand remain in place while you charge at home, at work or on the go.

Package includes
