ALOGIC Elements PRO 10cm USB-C to 3.5mm Audio Adapter - White

Alogic provides the ultimate connection solution with the ALOGIC Elements PRO 10cm USB-C to 3.5mm Audio Adapter. Designed to blend superior performance with exceptional design seamlessly, this adapter lets you experience high-quality audio on your USB-C-enabled devices by connecting to your favourite headphones, speakers, or amplifiers.

- Compact and Portable Design
- Crystal Clear Audio Output
- Microphone Support for Headsets
- Robust Build with Fabric Braiding
- Broad Compatibility

Compact and Portable Design
The ALOGIC Elements PRO adapter is your perfect audio companion, easily fitting into any pocket or bag. This small yet powerful adapter is your go-to choice for music, podcasts, and calls on the go.

Crystal Clear Audio Output
Experience audio clarity like never before! The ALOGIC Elements PRO's active chipset significantly enhances your headphones' sound, ensuring you enjoy every beat and tune to the fullest.

Microphone Support for Headsets
Communicate with ease. The adapter supports a microphone function for headsets with an integrated mic, enabling you to take calls and interact with voice assistants without hassle.

Robust Build with Fabric Braiding
Crafted with a durability-first approach, the ALOGIC Elements PRO adapter features a sophisticated design, including a fabric braided cable and TPE housing. This construction ensures maximum strain relief and guards against regular wear and tear.

Broad Compatibility
Designed to work with a wide range of USB-C-enabled devices, this adapter lets you connect your mobile phone, tablet, or notebook to your favourite 3.5mm audio devices without compromising sound quality or convenience.
