UAG Plasma Case for Microsoft Surface Pro 1st Edition 12" - Ice is black

Shockproof case with hand strap is built for professionals who need dependable protection and confident handling without adding unnecessary bulk. It combines rugged drop protection, a built-in kickstand, and a secure rotating hand strap, while staying compatible with essential Surface accessories and frequent cleaning routines.

- Shockproof protection with reinforced corners
- Lightweight rugged design for everyday mobility
- Built-in kickstand for stable, hands-free work
- 360-degree rotating hand strap for a secure grip
- Compatible with Type Cover keyboards and Surface Slim Pen

Shockproof protection with reinforced corners
The case is designed to help protect your Surface Pro from drops, bumps, and daily impacts. A rugged outer shell works with an impact-resistant core to absorb and disperse shock, while reinforced corners add extra protection where devices are most exposed during a fall.

Lightweight rugged design for everyday mobility
Protection should not make your device cumbersome. This case is made to stay light in hand and easy to carry, giving you durable coverage for workdays on the move, site visits, or constant room-to-room use without weighing your setup down.

Built-in kickstand for stable, hands-free work
An integrated kickstand turns your Surface Pro into a stable workstation for typing, video calls, reviewing documents, or presenting. It supports comfortable viewing angles and helps keep your device steady on desks, carts, and other work surfaces without needing separate stands or accessories.

360-degree rotating hand strap for a secure grip
The integrated hand strap is built for confident one-handed use and easier carry. It rotates 360 degrees so you can move smoothly between portrait and landscape use while maintaining a secure hold, helping reduce hand strain and lowering the risk of drops during active work.

Compatible with Type Cover keyboards and Surface Slim Pen
Keep your workflow intact with support for key Surface accessories. The case is designed to work with Microsoft Surface Type Cover keyboards, and it includes storage for the Surface Slim Pen to keep it protected and close at hand, with charging support where applicable.

Package includes:

- Urban Armor Gear Plasma case in Ice Black for Microsoft Surface Pro 1st Edition 12" cm - Ice Black
- Optional shoulder strap
