Compact and Lightweight Design

The ALOGIC Ultra Mini is the ideal travel companion for professionals. Its minimal footprint means it fits seamlessly into any bag or pocket, ensuring you're ready for presentations or meetings wherever you are. Its innovative design ensures other ports on your laptop remain unobstructed, maintaining full access at all times.

Impressive 4K Video Resolution

This adapter supports display resolutions up to 4K Ultra HD (3840 x 2160) and delivers crystal-clear imaging and vibrant colors that will enhance any media experience. From high-stakes presentations to cosy movie nights, expect nothing less than an immersive visual journey.

Broad Compatibility

This versatile adapter is ready to work with any USB-C port that supports DisplayPort alternate mode, including Thunderbolt 3 ports. It's the perfect solution for connecting USB-C-equipped Windows, Mac, or Chromebook computers to HDMI-enabled monitors, TVs, or projectors.

Premium Construction

Encased in a robust metal alloy jacket and constructed with TPE for added support, the ALOGIC Ultra Mini is built to last. Its superior materials ensure the adapter looks elegant and surpasses performance expectations. Prepare yourself for an accessory that's as reliable as it is stylish.

Plug and Play Simplicity

Experience hassle-free setup with the ALOGIC Ultra Mini's plug-and-play functionality. There is no need for additional drivers or software – just connect, and you're ready to go. This adapter ensures that your work or entertainment setup can quickly and efficiently assemble.
