UAG Plyo for iPhone 16 Plus - Ice

Urban Armor Gear UAG Plyo for iPhone 16 Plus is a slim, protective case built for everyday use without adding bulk. It combines a shock-absorbing frame with a durable back to help protect against drops and impacts, while keeping wireless charging simple and reliable.

- 4.8 m drop protection with MIL-SPEC tested durability
- Lightweight protection with a shock-absorbing TPU frame
- Anti-yellowing clarity that stays looking clean over time
- Air-soft cushioned corners and raised screen surround
- Wireless charging compatible with a secure fit and lanyard anchor points

4.8 m drop protection with MIL-SPEC tested durability
Designed to handle real-world drops and impacts, the Plyo case has been independently tested for drop protection up to 4.8 meters and meets 3X military drop-test standards (MIL-SPEC 810G-516.6). It's built to protect your iPhone 16 Plus through daily use, commuting, travel, and more demanding conditions.

Lightweight protection with a shock-absorbing TPU frame
The case uses a TPU shock-absorbing frame paired with a durable polycarbonate backplate to balance protection and a slim feel. Reinforced TPU bumpers help absorb and disperse impact forces, reducing the chance of damage from knocks and drops.

Anti-yellowing clarity that stays looking clean over time
Built with anti-yellowing technology, the clear design is made to maintain its clarity longer. This helps your phone's original color stay visible while the case continues to look premium with regular use.

Air-soft cushioned corners and raised screen surround
Air-soft cushioned corners add extra protection where impacts are most likely to happen. A protective screen surround helps reduce direct contact between the screen and flat surfaces when the phone is placed face-down.

Wireless charging compatible with a secure fit and lanyard anchor points
The case supports wireless charging so you can charge without removing it. Integrated lanyard anchor points add an option for extra carry security and convenience when you want it (lanyard not included).

Package includes:
Urban Armor Gear UAG Plyo case for iPhone 16 Plus

Product specifications:
