usbepower

Usbepower Cosmo Cable USB-A to Ligtning 1m - White

COSMO combines a 1 meter braided fabric cable with a rubber ball that allows to wind it and to adjust its length for an optimal use. The winder helps for easier cable management. Available in Apple Lightning, it charges and syncs all connected devices and has metallic connectors. Fun and colorful, it is the cable to have with you. It is available in a variety of exciting colours such as black, navy, white, blue, red, pink etc.
Certified by Apple MFI for the Lightning version.
