

ALOGIC Elements HDMI Cable with 4K Support - Male to Male - 2m - Black

ALOGIC Elements HDMI Cable with 4K Support - Male to Male - 2 m is built for stable, high-quality video transmission between your TV, monitor, projector, console, or computer. It supports 4K at 60 Hz with the full 18 Gbps bandwidth, giving you smooth motion and reliable performance for both entertainment and professional setups.

- 4K at 60 Hz with full 18 Gbps bandwidth
- Low-profile connectors for easy, secure connection
- Durable build for frequent plugging and everyday use
- Flexible cable design for cleaner installation
- 100% recyclable packaging

4K at 60 Hz with full 18 Gbps bandwidth

Get the performance your 4K devices are designed for. This cable supports 4K resolution at 60 Hz with the full 18 Gbps bandwidth, helping deliver smooth playback and responsive visuals for gaming, streaming, and presentations where motion clarity matters.

Low-profile connectors for easy, secure connection

The PVC-moulded, low-profile connector design is comfortable to grip and easy to insert, making it simple to connect devices in tight spaces behind TVs, desks, or wall-mounted setups. A secure fit also helps reduce dropouts caused by loose connections.

Durable build for frequent plugging and everyday use

Designed for reliable operation in both home and professional environments, the cable is made to handle regular handling and reconnections. This makes it well-suited for meeting rooms, shared workspaces, or home setups where devices are swapped or moved often.

Flexible cable design for cleaner installation

A flexible cable body makes routing and cable management easier, especially when running behind furniture or through crowded media cabinets. The 2 m length offers practical reach between devices without excess bulk.

100% recyclable packaging

The cable ships in fully recyclable packaging, helping reduce waste without compromising on protection during transport and storage.

Package includes:

- 1 x ALOGIC Elements HDMI Cable with 4K Support - Male to Male - 2 m
