

ALOGIC Elements HDMI Cable with 4K Support - Male to Male - 0.5m - Black

ALOGIC Elements HDMI Cable with 4K Support is a Premium High Speed HDMI cable designed for reliable 4K video and audio in a compact 0.5 m length. It's ideal for short, tidy connections between nearby devices, with durable connectors made for everyday use at home or in professional setups.

- Premium High Speed HDMI with up to 18 Gbps bandwidth
- Supports 4K video for clear, detailed image quality on compatible devices
- 0.5 m length ideal for short connections and clean cable management
- Low-profile, PVC-moulded connectors built for frequent use
- Lifetime warranty and 100% recyclable packaging

Premium High Speed HDMI with up to 18 Gbps bandwidth

This cable is built to deliver the bandwidth required for Premium High Speed HDMI performance, supporting up to 18 Gbps. That helps ensure stable signal transmission for high-quality video and audio when connecting modern HDMI devices.

Supports 4K video for clear, detailed image quality on compatible devices

Designed for 4K playback on compatible equipment, the cable helps you get the resolution your devices support without being limited by an older, lower-bandwidth cable. It's a solid choice for TV, monitor, projector, and AV connections where image clarity matters.

0.5 m length ideal for short connections and clean cable management

The 0.5 m length is well suited for close-range setups, such as connecting a laptop to a dock, a streaming device to a TV, or equipment in an AV cabinet. The shorter run reduces clutter and helps keep installations neat and practical.

Low-profile, PVC-moulded connectors built for frequent use

The low-profile connector design is easy to grip and plug in, especially in tight spaces behind displays or inside cabinets. PVC-moulded construction adds durability for environments where devices may be connected and disconnected regularly.

Lifetime warranty and 100% recyclable packaging

For long-term confidence, ALOGIC backs this cable with a lifetime warranty. The packaging is also 100% recyclable, supporting more responsible disposal and reduced waste.

Package includes:

- ALOGIC Elements HDMI Cable with 4K Support - Male to Male - 0.5 m
