ALOGIC Elements HDMI Cable with 4K Support - Male to Male - 1m - Black

ALOGIC Elements HDMI Cable with 4K Support 1m Male to Male - Ideal for Home Theater and Office is a Premium High Speed HDMI cable designed for reliable 4K picture and sound. With a flexible 1 m length and durable, low-profile connectors, it's an easy choice for clean home theater installs, desks, meeting rooms, and everyday device connections.

- Premium High Speed HDMI bandwidth up to 18 Gbps
- Supports 4K video on compatible devices, including higher refresh rates
- 1 m flexible cable for tidy, practical setups
- Low-profile, PVC-moulded connectors built for frequent use
- Lifetime warranty and 100% recyclable packaging

Premium High Speed HDMI bandwidth up to 18 Gbps
This cable is built to deliver the bandwidth required for Premium High Speed HDMI performance, supporting up to 18 Gbps. That helps ensure your TV, monitor, projector, or AV receiver gets the signal it needs for consistent 4K playback and audio performance.

Supports 4K video on compatible devices, including higher refresh rates
When used with compatible equipment, the cable supports 4K resolution and refresh rates above 30 Hz. This makes it well suited for smoother video playback and more responsive gaming, reducing the risk of image issues caused by cable bandwidth limits.

1 m flexible cable for tidy, practical setups
The 1 m length is ideal when you want a clean, minimal run between devices without excess cable. The flexible design makes routing easier behind TVs, through cabinets, along monitor arms, or in office environments where cable management matters.

Low-profile, PVC-moulded connectors built for frequent use
The low-profile connector design is easy to grip and plug in, especially in tight spaces behind displays or AV equipment. The PVC-moulded construction is designed to hold up well in environments where devices are connected and disconnected regularly.

Lifetime warranty and 100% recyclable packaging
Designed for long-term ownership, this cable is backed by a lifetime warranty for added confidence. It also ships in 100% recyclable packaging, supporting more responsible disposal.

Package includes:
