Compact and Patented MagForce Technology
Embrace cutting-edge design with ALOGIC's Magforce Trio, featuring proprietary MagForce technology that securely encloses the adapter cable using magnetic containment. Its ultra-compact design minimizes its footprint, making it easily portable in your pocket, desk, or bag, while delivering robust performance to meet your connectivity needs.

Versatile Connectivity Solution
Address laptop port limitations effectively with the versatile ALOGIC Magforce Trio. This 3-in-1 adapter connects your USB-C laptop to various modern displays, including monitors, TVs, and projectors, ensuring you remain connected whether you're at home, in the office, or presenting.

High-Resolution Output
Experience stunning visual clarity through the Magforce Trio’s HDMI port, which supports a maximum resolution of 4K at 60Hz. This feature ensures presentations, videos, and images are rendered in exceptional detail and color, enhancing your viewing experience and boosting productivity.

Powerful Charging Capability
With the capability for up to 100W Power Delivery passthrough, the Magforce Trio ensures your devices, including power-hungry 16-inch MacBooks, remain powered all day. Pair it with ALOGIC’s Rapid Power GaN adapters to enjoy ample charging capacity that powers your devices efficiently.

Durable and Stylish Design
Built to endure the rigors of daily use, the Magforce Trio boasts a durable metal alloy casing with soft-touch TPE shielding and silicon reinforcement. Its sleek and stylish design not only looks good but ensures reliable connectivity without disruptions, handling everyday tasks effortlessly.
