ALOGIC Super Ultra USB-C to USB-A Cable - Silver

The ALOGIC Super Ultra USB-C to USB-A Cable allows you to connect the latest USB-C devices, such as phones, tablets and laptops, to your compatible accessory or peripheral. Crafted from superior quality materials the cable is lightweight, durable and designed to fit into any laptop bag or backpack. The Super Ultra range of cables is crafted from superior materials and specially designed to provide additional strain relief, reinforcement and protection against wear and tear to guarantee a longer lifespan.

Super Ultra-Rugged Construction

The ALOGIC Super Ultra range is crafted from superior materials and specially designed to guarantee a longer lifespan. The cable is strengthened with synthetic fibre and reinforced with flexible nylon double braiding to provide maximum protection against all types of wear and tear. The cable head is constructed from thermoplastic (TPE) for maximum strain relief and finished with metal alloy housing for added durability.

Charge, Sync & Power

The cable allows you to charge your USB-C devices using a USB-A enabled wall charger or a computer. It can output up to 3A current for fast charging your phone or accessory. It will also support up to 480Mbps data transfer rates to sync your photos, videos, music and files.
