

ALOGIC Ultra USB-C to USB-C Female and Audio Output Adapter - Space gray

Introducing the ALOGIC Ultra USB-C to USB-C Female and Audio Output Adapter: the perfect solution for your USB-C-enabled devices. This compact, dual-functional device allows you to enjoy music from your USB-C-enabled device while charging it simultaneously, ensuring you never have to choose between power and audio connectivity again.

- Listen while charging.- Enjoy the convenience of listening to music or watching videos using your USB-C headphones and charging your device simultaneously.
- Supports fast charging - Power up your devices quickly with up to 100W.
- Robust, portable design - Crafted with an aluminium housing and TPE strain relief for enhanced durability and flexibility.
- Broad device compatibility - Works seamlessly with a wide range of USB-C devices, including iPad Pro, Google Pixel, and MacBook.
- Effortless connectivity - No need to select between charging or audio as the adapter provides simultaneous access to both.

Listen while charging

The ALOGIC Ultra adapter ensures you can continue enjoying your music or videos with USB-C headphones even while your device is powered up. Its advanced technology intelligently divides the USB-C port's capabilities so you can multitask without interruption.

Supports fast charging

Ensure rapid charging of your devices with the ALOGIC Ultra adapter, which supports high-speed charging with a 100W capacity. Its compatibility with Power Delivery 3.0 technology means you can charge efficiently and spend less time tethered to an outlet.

Robust, portable design

Experience a sleek, user-friendly design with robust construction. The ALOGIC Ultra is encased in an aluminium shell with a TPE cable stress relief that withstands the rigours of daily use while remaining lightweight, compact, and easy to carry around.

Broad device compatibility

The ALOGIC Ultra adapter is designed for broad compatibility across numerous USB-C devices. It works effortlessly with popular gadgets such as iPad Pro, MacBook, Google Pixel, and many other USB-C-enabled smartphones, tablets, and laptops.

Effortless connectivity

Enjoy a hassle-free connection as the ALOGIC Ultra adapter fluidly switches between charging your device and using your USB-C-enabled headphones. This versatile adapter ensures you can connect for charging, data, or audio smoothly without requiring manual input.
