ALOGIC Ultra Mini Displayport to Displayport 8K@60Hz cable - 3m - Space gray

Explore the pinnacle of connectivity with the Alogic ALOGIC Ultra Mini DisplayPort to DisplayPort 8K Cable. Designed for the forward-thinking professional, this premium cable delivers an unparalleled visual experience, enabling you to harness the power of 8K technology.

- Supports the complete DisplayPort V1.4 specification
- Robust construction for enhanced durability
- Innovative latch design for secure, stable connections
- Backwards compatible with a variety of resolutions
- Comprehensive 2-year warranty

Supports the complete DisplayPort V1.4 specification
The ALOGIC Ultra Mini DisplayPort to DisplayPort 8K Cable exemplifies the latest innovations in DisplayPort technology. Designed according to the VESA DisplayPort 1.4 specifications, this cable provides the bandwidth needed to carry an 8K@60Hz video signal, ensuring your display's maximum performance.

Robust construction for enhanced durability
ALOGIC understands the importance of a cable that lasts. The Ultra 8K cable is engineered with high-quality materials, featuring a core fortified with synthetic fibre and a tough thermoplastic (TPE) jacket. This combination gives the cable exceptional durability to withstand daily wear and tear, protecting your investment.

Innovative latch design for secure, stable connections
Connect with confidence, knowing that your cable won't come loose unintentionally. The ALOGIC Ultra's latch design ensures your connections are firm and stable, with an easy-release button for quick disconnection. This feature is ideal for setups where cables must be managed effectively without sacrificing signal integrity.

Backwards compatible with a variety of resolutions
Flexibility is key in a fast-moving technological landscape. The ALOGIC Ultra Mini DisplayPort to DisplayPort 8K Cable is equipped for 8K resolution and supports lower resolutions, including 5K, 4K, 2K, and HD. Versatility is a given, ensuring compatibility with a wide range of devices and displays for any situation.

Comprehensive 2-year warranty
Your peace of mind is paramount; therefore, ALOGIC covers this Ultra Mini DisplayPort to DisplayPort 8K Cable with a 2-year warranty. This is a testament to the company's confidence in the product's quality and commitment to your satisfaction.

Package includes

- 1 x Alogic Ultra Mini Displayport to Displayport 8K@60Hz cable - 3m - Space Grey

Product specifications

- Colour: Space Grey
- Length: 3 meter
- Resolution Support: 8K (7680 x 4320) @60Hz, and lower resolutions including 5K, 4K, 2K, and HD at varying refresh rates
- Bandwidth: High Bit Rate 3 (HBR3) - 32.4 Gbps
- Dynamic Range: Dynamic HDR support
- Colour and Audio: Supports 32 audio channels and various colour formats
- Compatibility: HDCP 2.2, DSC 1.2, Forward Error Correction
- Durability: TPE jacket, synthetic fibre core, metal alloy housing
- Connection Security: Latching connector with an easy-release button
- Warranty: 2 years

SPECIFICATIONS

Carton: 1/40
Item ID: ULMDPDP03-SGR
