The Satechi Thunderbolt 4 Pro Cable 1m is an ultimate connectivity solution that marries speeds of 40Gbps, extended 240W Power Delivery, and brilliant 8K resolution. Its robust performance is boosted by a durable design that promises longevity, and it works across old and new devices for excellent compatibility.

- **Ultra-Fast Transfers:** Experience up to 8x faster data transfer than standard USB 3.0.
- **240W Charging Power:** Power and charge your devices at unparalleled speed.
- **8K Video:** Get a vivid and immersive visual experience in 8K/60Hz quality.
- **Native PCIe Support:** Support for enhanced speed and performance.
- **Downward Compatible:** Works with old and new devices, including USB 2.0, 3.0, 3.1, and more.

Ultra-Fast Transfers

One of the highlights of the Thunderbolt 4 Pro Cable is its impressive data transfer speed—it is 8X faster than the standard USB 3.0. Connect this versatile cable to your laptop, smartphone, tablet, or hard drive and experience top-tier connectivity with ultra-fast, seamless transfers.

240W Charging Power

Incorporating an Extended Power Range (EPR), this cable delivers a robust 240W to charge all your energy-intensive devices quickly and efficiently. It's designed to recharge a wide range of devices, from smartphones to laptops, in record time, keeping you supercharged and on top of your work.

8K Video

Enhance your visual experience with the Thunderbolt 4 Pro Cable's capability to deliver 8K/60Hz resolution when connected to a Thunderbolt-enabled external monitor. Experience the thrill of high resolution whether you're working, gaming, or catching up on your favourite show.

Native PCIe Support

Enjoy enhanced speed and performance with this Thunderbolt 4 Pro Cable that boasts Native PCIe support with 32Gbps bandwidth. It allows you to transfer extensive data, connect high-res monitors, and run external GPUs smoothly.

Downward Compatible

The Thunderbolt 4 Pro Cable offers excellent compatibility by supporting older USB versions. This cable covers you whether you're using USB 2.0, 3.0, 3.1, Thunderbolt 2, or Thunderbolt 3.

Package includes

- 1x Satechi Thunderbolt 4 Pro Cable 1m - Black
