Lightning-fast data transfer

The Satechi USB4 Pro V2 Cable boasts unmatched 80 Gbps transfer speeds, twice as fast as traditional USB4 and Thunderbolt 4. Whether you're moving large files or syncing data between devices, enjoy seamless and efficient file transfers that save you time and boost productivity.

Durable braided design

Designed with a premium braided exterior, the Satechi USB4 Pro V2 Cable not only ensures durability and longevity but also resists daily wear and tear. This means you can rely on it for consistent performance, day in and day out, without compromising on quality.

Powerful 240W power delivery

With an impressive 240W power delivery, this cable is equipped to handle high-speed charging, keeping all your compatible devices powered up and ready to go. Experience faster charging times and uninterrupted device usage.

Stunning 8K video output

This state-of-the-art cable supports breathtaking 8K video output, perfect for high-resolution displays. Whether you're using a single 4K monitor at 240Hz or dual 8K displays at 120Hz, enjoy crystal-clear visuals with enhanced clarity and detail.

Extensive device compatibility

The Satechi USB4 Pro V2 Cable is backward compatible with Thunderbolt 4, Thunderbolt 3, and USB-C devices. It's a versatile, future-proof investment that adapts to your evolving tech needs, providing universal compatibility for a wide range of devices from leading brands like Apple, Microsoft, Lenovo, Dell, and more.
