

## Satechi 8K ULTRA HD HDMI 2.1 Cable - 2m - Space grey/black

Experience impeccable connections with the Satechi 8K ULTRA HD HDMI 2.1 Cable - 2m. This high-quality cable ensures the ultimate visual and audio experience, connecting your electronic devices seamlessly to bring your viewing to life. Forget about quality compromises; it's time to step into the future of audiovisual technology.

- Latest HDMI version
- Ultra High Definition
- Compatibility with 8K@60 Hz and 4K@ 120Hz / 100Hz
- Dynamic HDR
- Crystal clear sound

### Latest HDMI version

This latest edition of the HDMI version by Satechi supports higher video resolutions and refresh rates. Now, you can enjoy 8K@60 Hz and 4K@ 120Hz / 100Hz. It is also backwards compatible, so it complements your previous versions.

### Ultra High Definition

Immerse yourself in the ultimate viewing experience with our Ultra High Definition feature. It offers breathtakingly vivid and real-life picture quality to bring your favourite content to life.

### 8K@60 Hz and 4K@ 120Hz / 100Hz Compatibility

Boasting compatibility with 8K@60 Hz and 4K@ 120 Hz / 100Hz refresh rates, this cable is perfect for those who want to experience fidelity at its finest, rivalling real-world visuals.

### Dynamic HDR

Our HDMI 2.1 cable features dynamic HDR and 12-bit colour processing technology. A 48Gbps bandwidth can provide an ultra-high-definition cinematic experience and 3D visual effects with ideal depth, contrast, and a wide colour gamut.

### Crystal Clear Sound

Featuring an Enhanced Audio Return Channel (eARC) for simplified connectivity, it supports the most advanced, uncompressed, and lossless multichannel audio formats for superior sound quality.
