SATECHI

Satechi USB-C to HDMI 2.1 8K Cable - Space gray

Crafted for those who demand the best in high-resolution video display, this cable is the essential link between your USB-C device and the stunning visuals offered by HDMI 2.1 technology. Whether you're an avid gamer, a professional video editor, or love crystal-clear video quality, the Satechi USB-C to HDMI 2.1 8K cable is designed to deliver an unparalleled viewing experience.

- Unmatched Resolution and Refresh Rate
- Refined Premium Design
- Effortless Plug-and-Play Use
- Broad Device Compatibility
- Durable, High-Quality Construction

Unmatched Resolution and Refresh Rate
Experience the future of video with the Satechi USB-C to HDMI 2.1 8K cable, ushering in a new world of vibrant 8K resolution at 60Hz. Alternatively, dive into the action with 4K at a smooth 120Hz refresh rate, reducing motion blur and capturing every frame precisely. This cable guarantees a transformative viewing experience for high-definition gaming, professional video editing, or simply binge-watching your favorite series in the highest fidelity possible.

Refined Premium Design
Reflect your sophisticated style with the cable's sleek aluminum enclosure. The Satechi USB-C to HDMI 2.1 8K cable is engineered with a reinforced neck and features a 2M braided cable that resists tangling. The contemporary, minimalist design is not just about looks—it’s about offering lasting quality and ease of use to enhance your tech-savvy life.

Effortless Plug-and-Play Use
With the Satechi USB-C to HDMI 2.1 8K cable, setup is a breeze. No software or driver installation is required—just connect and go! Its universal compatibility with USB-C-enabled devices and major operating systems means you can enjoy a flawless display setup with almost any modern device.

Broad Device Compatibility
This leading-edge cable is designed to work seamlessly with various devices. From the latest MacBook Pro, Air, iMacs, and iPads to the new iPhone 15 series, encompassing renowned brands like Lenovo, Microsoft, Dell, Google, HP, Razer, Huawei, and more. The Satechi USB-C to HDMI 2.1 8K cable is your comprehensive solution for high-resolution audiovisual display.

Durable, High-Quality Construction
Built to withstand the rigors of daily use, the Satechi USB-C to HDMI 2.1 8K cable boasts a reinforced connector neck and an extensively braided cable that combats wear and tear. This durable construction ensures your cable stays in top form, delivering exceptional performance whenever needed.
