Compact, Travel-Friendly Design
Tailor-made for the traveller, the ALOGIC Rapid Power Car Charger boasts a minimalist design that unobtrusively fits your car's dashboard. At a mere 8cm in length and finished in a sleek Space Grey, this car charger is as stylish as it is portable. It's so lightweight you'll barely notice it in your pocket, ready to be used whenever needed.

USB-C and USB-A Ports
With the versatility of USB-C and USB-A ports, this car charger is compatible with many devices. Whether you need to charge a laptop, smartphone, tablet, or other USB-enabled devices, the ALOGIC Rapid Power Car Charger covers you. It's an all-in-one solution for your charging needs.

100W Fast Charging
The USB-C PD Technology enables the ALOGIC Rapid Power Car Charger to offer a robust 100W fast charging capability. This feature lets you quickly power up your devices, significantly reducing charging time. It is ideal for keeping your electronics ready to use, even on the shortest of drives.

Simultaneous Dual-Device Charging
Charge two devices at once without sacrificing charging speed. The ALOGIC Rapid Power Car Charger is engineered to support more than 80W of fast charging across both ports simultaneously, ensuring that your laptop and phone can be powered up efficiently and reliably while on the move.

Advanced Safety Features
Utilizing the inherent safety protocols of USB-C PD, the ALOGIC Rapid Power Car Charger intelligently selects the safest voltage. It optimizes charging speeds while protecting against overcharging, overheating, and short-circuiting. Rest assured, your devices are safeguarded during their recharge cycle.
