SATECHI

Satechi 100W GaN PD Charger with USB-C outlets - Space gray

Satechi introduces the 100W GaN PD charger with USB-C outlets. This next-gen Gallium Nitride (GaN) powered device is engineered to provide a faster, more efficient charge to keep up with your most demanding tasks. The foldable plug design adds an extra layer of convenience, making it your go-to power gadget wherever you are.

- 100W Power Delivery
- Powerful GaN Tech
- Fast and safe charging
- Equipped with ETL and CE certifications

100W Power Delivery
The Satechi 100W GaN PD Charger is designed to match your intensity. Its powerful USB-C PD charging port delivers up to 100W, perfecting everything from intensive Zoom conference calls to hi-res image editing.

Powerful GaN Tech
Say hello to faster charging, thanks to the cutting-edge Gallium Nitride (GaN) technology that replaces old, silicon-based semiconductors.

Fast and Safe Charging
Safety meets speed in the Satechi 100W GaN PD Charger. Equipped with ETL and CE certifications, this device ensures a safe yet effective charge for your connected devices. Remember, always use certified charging cables for the best results.

Equipped with ETL and CE Certifications
We value your safety. That's why our 100W GaN PD Charger is ETL and CE certified, providing a practical yet safe charge for your connected devices.
