

Meet the Satechi 165W GaN PD charger with 4 USB-C outlets, allowing next-level desktop efficiency and enhanced connectivity. This cutting-edge device utilizes superior GaN technology to deliver robust, uninterrupted charging. Its unique ability to simultaneously power up four devices quickly and effortlessly makes it the ultimate desk companion for your modern gadgets.

- Features incredible GaN technology for faster charging and improved power efficiency.
- It powers up to four devices simultaneously with its four USB-C PD ports.
- Comes with a sleek, space-grey desktop stand.
- Detachable power cord for easy storage.
- Supports multiple power configurations up to 165W.

Advanced GaN Technology

With its groundbreaking Gallium Nitride (GaN) technology, the Satechi 165W GaN PD charger takes charging to a new level. This advanced technology replaces previous silicon-based semiconductors, promising faster charging and better power efficiency.

Quadruple USB-C PD Ports

The Satechi 165W GaN PD charger has four USB-C PD ports, ensuring you can conveniently power up to four devices simultaneously. The efficient power distribution automatically adjusts according to the ports and devices connected.

Stylish Desktop Stand

Complement your workspace with the charger's sleek, space-grey design. It has a convenient stand to securely dock the charger at your desk, adding aesthetic value to your work environment.

Detachable Power Cord

This device includes a detachable power cord, making storage stress-free. The design is space-saving and allows flexibility with how and where you store the charger.

Multiple Power Configurations

With support for various power configurations up to 165W, this charger can easily power your MacBook Pro M1 at full speed or your iPad Pro setup on the go. Whether you're working, gaming, or streaming, you can count on the Satechi 165W GaN PD charger.

Package Includes

- 1x Satechi 165W GaN PD charger - Space Grey
- 1x Detachable power cord
- 1x Desktop Stand

Product Specifications

- Colour: Space Grey
- Technology: GaN
- Number of Outlets: 4 USB-C PD ports
- Connector Type: Wall Charger with EU-plug
- Voltage 100-240V
- Speed: 1 x USB-C PD connected - up to 100W, 2 x USB-C PD connected - up to 100W/60W, 3 x USB-C PD connected - 60W/60W/45W or 100W/30W/30W, 4 x USB-C PD connected - 60W/45W/30W/30W up to 165W total
- Max Power Output: 165W
- Design: Sleek, space-grey with a Desktop Stand
- Other Features: Detachable Power Cord, Multiple Power Configurations up to 165W.
