Twelve South PowerCord 3 m - White/Dune

The Twelve South PowerCord 3 m (White/Dune) combines a 30 W USB-C PD charger with a built-in 3 m cable, reducing the need for separate charging accessories. Its long reach and understated design suit home and office use.

- Integrated charger and 3 m (?10 ft) cable – Keep your device within reach without a separate power brick.
- Flat braided nylon cable – The fabric-wrapped construction resists tangling and fraying.
- EU plug – Fits standard EU wall outlets, with fixed prongs for a secure connection.
- Built-in safety protections – Help protect your devices against overheating, overcurrent and overcharging.
- Minimalist White/Dune finish – Neutral tones complement modern setups and Scandinavian-style interiors.
- Compact, all-in-one design – No separate adapter to carry: just plug in and charge.

Flexible 3 m Reach
Reach outlets behind furniture or charge a device across your desk without rearranging your workspace.

Durable Flat Braided Cable
The flexible braided fabric cable resists tangling and fraying. Its soft-touch finish is comfortable to handle, and its durable construction is designed for everyday use at home, in the office or on the go.

Smart Charging Technology
With USB-C Power Delivery (PD 3.0) and Programmable Power Supply (PPS), the Twelve South PowerCord 30 W charger adjusts voltage and current for safe, efficient charging of compatible smartphones, tablets and lightweight laptops.

Safe and Reliable
Built-in protections guard against overcurrent, overvoltage and temperature spikes. Quality components, reinforced connectors and a robust internal structure support reliable everyday charging.

Designed for Modern Living
The White/Dune finish combines soft, neutral tones with Twelve South's minimalist design for a look that suits modern homes and Scandinavian-inspired interiors.

Package Includes:

- 1 × Twelve South PowerCord 3 m (White/Dune)
- 1 × User manual
