

AM - Refill 200ml - Transparent

Introducing the AM - Refill 200ml, the perfect solution for maintaining a crystal-clear view on all your screens. Our specially-formulated screen cleaning solution is designed to keep your devices pristine without the use of harsh chemicals.

- Alcohol, ammonia, and odor-free formula
- Safe for all screens
- Environmentally friendly and recyclable
- Reduces single-use plastic waste
- Endorsed by industry experts

Alcohol, Ammonia, and Odor-Free Formula

Our AM - Refill 200ml is engineered with a unique formula free from alcohol, ammonia, and odors, ensuring gentle care for all your screens while effectively removing dirt and smudges.

Safe for All Screens

From your smartphone to your car display, the AM - Refill 200ml is safe and effective on a wide range of screens including tablets, computers, laptops, e-Readers, TVs, and more. We guarantee a streak-free finish that enhances clarity.

Environmentally Friendly and Recyclable

Our liquid refill is composed of mono-materials and is fully recyclable. Besides keeping your devices clean, you'll be contributing to a more sustainable environment with each use.

Reduces Single-Use Plastic Waste

Switching to AM - Refill 200ml helps reduce the waste associated with non-refillable cleaning products. Every refill equates to a reduction of 18g of single-use plastic waste, making it an eco-friendly choice.

Endorsed by Industry Experts

Our product is highly recommended by design and lifestyle experts who recognize its unique ability to restore the 'pristine' look to your screens. Trusted by names like Designboom and Hyperbeast, you can be assured of its quality and performance.
