Triple USB-C Thunderbolt 4 Outputs for Maximum Performance
The ALOGIC Thunderbolt 4 BLAZE Docking Station defines performance with 40Gbps bandwidth capabilities. It effortlessly connects up to three Thunderbolt 4 or USB 4.0 peripherals, delivering the speed you need for optimal efficiency. With these powerful triple outputs, your ability to transfer large files and engage with high-speed peripherals is enhanced, streamlining your workflow like never before.

90W Power Delivery to Laptops
Uncomplicate your desk with the dock's ability to channel up to 90W of power to your laptop through a single cable. This generous power delivery ensures that almost any computer, including power-hungry 16" MacBooks, remains fully charged while you work uninterrupted.

Elegant Aluminum Design
Adorning your workspace with functionality and sophistication, the ALOGIC Thunderbolt 4-BLAZE Docking Station boasts a premium aluminium construction. This sleek and sturdy design complements any setup while ensuring durable performance for a professional who values both form and function.

Supports Dual 4K Displays at 60Hz
If your device features Thunderbolt technology, experience crystal-clear visual quality with dual 4K display support at 60Hz. With these display capabilities, the BLAZE Docking Station becomes a hub for content creation and media consumption, providing a vibrant, ultra-high-definition backbone for your digital endeavours.

Plug & Play Convenience
Embrace the ease of use with the ALOGIC Thunderbolt 4 BLAZE Docking StatioStation's plug-and-play functionality. Say goodbye to tedious setups; this dock is designed for immediate use with compatible devices, allowing you to plug in and enhance your productivity immediately, with no drivers or software installation required.
