

ALOGIC PRIME DX2 Universal Dock w. Dual 4K and with 65W Power Delivery - Space gray

SPECIFICATIONS

Carton: 1/4
Item ID: DUPRDX2-WW
EAN: 9350784023803
Size: 86 x 258 x 147 mm
Weight: 1770 g

Recommended price
3 799 SEK

Enhance your computing experience with the Alogic PRIME DX2 Universal Dock, which transforms any laptop into a fully-fledged workstation. Equipped with dual 4K display support and 65W power delivery, this compact and powerful dock ensures seamless connectivity for USB-C and USB-A laptops, bridging the gap between your tech and peak productivity.

- Dual 4K Display Support for Enhanced Visuals
- Comprehensive Connectivity with USB-C and USB-A Ports
- Robust 65W Power Delivery for Charging Your Laptop
- High-Speed Data Transfer and Reliable Internet Connection
- Universal Compatibility with Windows, macOS, and ChromeOS Devices

Dual 4K Display Support for Enhanced Visuals

Connect up to two 4K monitors to the ALOGIC PRIME DX2 Universal Dock to experience ultra-clear, high-definition visuals. Whether you're a professional requiring detailed images for design work or seeking to improve your multitasking capabilities with additional screen real estate, the dock's twin DisplayPort outputs provide the visual clarity you need to see your projects flourish.

Comprehensive Connectivity with USB-C and USB-A Ports

The ALOGIC PRIME DX2 Universal Dock eliminates the need for multiple adapters, offering a truly all-in-one connection solution. With a mix of USB-C and USB-A ports, you can easily sync and charge your devices and connect peripherals like keyboards, mice, and storage devices. This connectivity hub ensures you're prepared for any task, regardless of your computer's age or type.

Robust 65W Power Delivery for Charging Your Laptop

The inconvenience of juggling cables and power adapters is a thing of the past. The ALOGIC PRIME DX2 Universal Dock provides up to 65W of charging power, meaning you can power up your laptop directly through the dock while utilizing its array of ports. It's the ideal solution for maintaining a clean, efficient, and productive workspace.

High-Speed Data Transfer and Reliable Internet Connection

With the ALOGIC PRIME DX2 Universal Dock, you can achieve lightning-fast data transfer rates and a stable, wired internet connection. The dock includes ports for gigabit Ethernet and USB devices, allowing you to transfer files swiftly and stream videos without lag, ensuring you stay productive and connected at all times.

Universal Compatibility with Windows, macOS, and ChromeOS Devices

Embrace universal support with the ALOGIC PRIME DX2 Universal Dock, tailored to meet the needs of various operating systems. Whether using a Windows laptop, a MacBook, or a Chromebook, this dock is engineered to accommodate your device, consolidating your workspace setup into one consistent, versatile solution.
