- Several Slots and Pockets
- Ergonomically Designed Shoulder Strap
- Trolley Handle Pass-through
- High-contrast Lining

Well-padded Laptop Compartment

Featuring a spacious, well-padded, top-loading compartment. It is designed for quick and easy access for laptops up to 16 inches. Take care of your laptop with the plush padding that effectively cushions against bumps and scratches.

Several Slots and Pockets

The separate zippered accessory compartment stays organized with a generous assortment of multifunction pockets, while a quick-access front stash slot helps keep essential items within your reach. This ensures a perfect balance between functionality and organization.

Ergonomically Designed Shoulder Strap

The Advance ECO 16 laptop bag by Everki has a comfortably padded, non-slip, two-way adjustable shoulder strap. Quick-adjust buckles provide more freedom to make fine adjustments to your desired length, making you carry effortless and comfortable.

Trolley Handle Pass-through

Designed thoughtfully for the weary traveller, the Advance ECO 16 laptop bag features a trolley handle pass-through. This helps lighten the load and increases mobility, especially during long-distance travel.

High-contrast lining

The bag's interior shines in the high-contrast orange lining - a theme that vibes nicely.
