Upgrade your computing experience with the sleek and versatile ALOGIC APEX Bluetooth USB-C Rechargeable Mouse. Designed for ultimate comfort and functionality, this mouse promises to redefine your productivity with its advanced features and ergonomic build.

- Ergonomic Design
- Designed for all your devices
- Customizable control with Mac and Windows Shortcuts
- Versatile Usage for Work and Play
- Battery Lasts Weeks

Ergonomic Design for Comfort
Experience the perfect blend of style and comfort with APEX's sleek ergonomic curves to support right-handed users. The premium anti-slip finish ensures a comfortable grip, making it ideal for prolonged use across an eight-hour workday. You'll be amazed at its difference from traditional flat, symmetrical mice.

Seamless Connectivity Across Devices
APEX is engineered to connect you with its three saved wireless connections through 2.4GHz and Bluetooth. With just a button press, you can effortlessly switch between your work laptop, iPad, and home media PC, ensuring seamless productivity throughout your day.

Customizable Control
Take advantage of APEX's seven customizable keys, designed to enhance efficiency with intuitive shortcuts for Mac and Windows systems. Easily access daily functions such as window switching and screenshot capture, tailored to suit your workflow in a modern office environment.

Versatile Usage for Work and Play
APEX isn't just for the office; after hours, it transforms into a powerful gaming mouse with a 1,000Hz polling rate and up to 6,400 DPI for responsive aiming. Experience the joy of using a mouse that adjusts to the versatile demands of your digital lifestyle.

Long-lasting Battery Life
Say goodbye to constant battery changes. APEX's long-lasting, rechargeable battery ensures weeks of usage, and its innovative USB-C charging port allows you to charge and use the mouse simultaneously, keeping you powered throughout your busiest days.
