

Satechi Slim X1 Bluetooth Backlit Keyboard US layout - Space gray

Discover the Power and Versatility of Satechi's X1 Wireless Keyboard. Designed explicitly for Apple users, this Bluetooth-connected keyboard is not just sleek and compact; it's smart too. With multi-device capabilities and illuminated keys, all powered by a USB-C rechargeable port, the X1 Wireless Keyboard is the perfect addition to your tech repertoire, whether working from home or on the go.

- Note! US Eng Layout!
- Designed for Apple users
- Connects up to three Bluetooth devices
- Illuminated keys & USB-C rechargeable
- Ultra-compact, sleek design

US Eng Layout!

This keyboard is specially designed with a US English layout, perfect for those used to typing in this format, without having to adapt to a different keyboard design.

Designed for Apple Users

Built with Apple users in mind, the Satechi X1 Wireless Keyboard integrates seamlessly with all your Apple devices. From your iPad to your iPhone, this keyboard has all the function keys you need for a maximized user experience.

Connects up to Three Bluetooth Devices

The Satechi X1 Keyboard is more than just a standard keyboard; it's a multi-tasker. With the ability to connect to up to three different devices simultaneously, you can conveniently switch between your phone, tablet, or computer with just a single click.

Illuminated Keys and USB-C Rechargeable

Never worry about working in low light again. With ten adjustable brightness levels, the backlit illuminated keys ensure you can work comfortably in any setting. Plus, with its USB-C rechargeable port, you can always stay powered up and ready to work.

Ultra-Compact, Sleek Design

The Satechi X1 Wireless Keyboard boasts a sleek, ultra-compact design. Not only is it easy to carry around, but its stylish build also makes it a fantastic accessory to any workspace, whether at home or outdoors.
