SATECHI

Satechi M1 Bluetooth Wireless Mouse - Silver

Enhance your computing experience with the Satechi M1 Bluetooth Wireless Mouse - Silver. Designed with advanced Bluetooth 4.0 technology, intuitive features, and a sleek, modern design, this mouse brings convenience and style to your desktop or laptop environment.

- Bluetooth 4.0 connection for seamless integration with your device
- Fast and precise tracking and navigation
- Rechargeable Type-C port for quick charging and reduced downtime
- An ergonomically focused design suitable for both left and right-handed users
- Available in diverse colours to match your unique aesthetic

Bluetooth 4.0 Connection
The Satechi M1 Mouse fosters wireless control over your digital environment. Enabled through Bluetooth 4.0 integration, you can effortlessly connect to your essential devices. With a range of up to 32 ft., move around freely without breaking the connection. The convenience and efficiency of the M1 transcend operating systems, supporting both Mac and Windows OS.

Fast, Precise Tracking
Experience smooth web browsing and fast data entry with the M1's optical sensors. Offering precise tracking and quick scrolling, this device enhances your productivity. The natural extension of your device, the M1 further simplifies commands with soft-touch navigation buttons and an aluminium scroll wheel.

Rechargeable Type-C Port
Outfitted with a handy Type-C recharging port, the M1 wireless mouse accords with the freedom from single-use batteries. With the ability to quickly charge, a drained battery will never interrupt your activities. A Type-C to Type-A charging cable is conveniently included in your purchase.

Modern, Ergonomic Design
Embracing a comfortable user experience, the M1 mouse's ergonomic design ideally fits within the palm. Tailored for both right and left-handed users, it ensures a comfortable grip. With an added aesthetic touch, its brushed aluminium finish complements your modern desk setup.

Colour Options
The Satechi M1 mouse is available in various colours, including silver, space grey, gold and rose gold. Choose a colour that matches your desk setup or simply one that suits your preference.
