Designed Specifically for MacBook Air 13" (2020) EU Layout
The ClearGuard Keyboard Protector made exclusively for the MacBook Air 13" (2020) EU layout ensures perfect compatibility and seamless fit. Its elevated design meets function while protecting your device from potential damage.

Ultra-thin and High Transparency
Measuring only 0.1mm thick, ClearGuard is five times slimmer than traditional keyboard protectors. Its high transparency film allows your MacBook Air's backlit keys to shine through brilliantly, ensuring no compromise on aesthetics.

Perfect Fit and Unparalleled Tactile Response
Designed with precision, the ClearGuard perfectly aligns with each key of your MacBook Air. This careful design enables unparalleled tactile response, ensuring a smooth and natural typing experience.

Premium Material for Longevity
Manufactured with non-toxic, engineering-grade thermoplastic urethane, ClearGuard promises durability. It's designed to withstand constant use while maintaining its pristine look and feel.

Easy to Clean and Reusable
Keeping your ClearGuard clean is as easy as rinsing it with water. The protector can be reused repeatedly, keeping your keyboard looking and feeling new.
