

Moshi USB-C to VGA Adapter - Silver

The Moshi USB-C to VGA Adapter enables your USB-C equipped device to connect with a VGA display or projector. It brings HD crystal-clear visuals, a sturdy aluminum casing, and the simplicity of plug-n-play operation.

Features

- USB-C device to VGA display connectivity
- Support for HD resolutions up to 1920 x 1200 or 1080p at 60Hz
- Robust aluminum casing for minimized electromagnetic interference
- Hassle-free plug-n-play operation
- Extended warranty with product registration

Connectivity Made Easy

The Moshi USB-C to VGA Adapter is designed to connect your USB-C device to any VGA display or projector effortlessly. Now stay connected with the world without any technical hassles.

High Definition Visuals

Experience high-resolution visual clarity like never before. Our adapter supports HD resolutions up to 1920 x 1200 or 1080p at 60Hz. It's intended to provide the best viewing experience possible.

Robust and Durable

The casing for the adapter is built from aluminium, specifically chosen to minimize electromagnetic interference. This ensures a steady and stable connection between your devices.

Hassle-Free Plug-n-Play

We value your time, and that's why we have made our adapter plug-n-play. No more time-consuming installations or need to download software drivers. Simply plug in and enjoy the seamless connectivity.

Extended Warranty for Peace of Mind

We deliver quality products with a standard warranty of two years. To enjoy an extended warranty of up to 10 years, simply register your product on moshi.com.
