ALOGIC Ark Power Bank - Silver

Elevate your charging experience with the Alogic Ark Power Bank, the perfect fusion of colossal capacity and rapid charging power. Its 27,000mAh battery, the largest you can bring on a flight, keeps you connected wherever life takes you. Experience the convenience and reliability of powering your high-performance laptop or multiple devices simultaneously without hassle. The ALOGIC Ark is not just a power bank; it's your lifeline to the digital world.

- Largest Flight-Approved Battery Capacity - 27,000mAh battery
- Unparalleled Fast-Charging Capability
- Versatile Multi-Device Charging
- Intelligent Digital Display
- Airline-Approved for Carry-On Luggage

Largest Flight-Approved Battery Capacity
ALOGIC Ark proudly boasts a 27,000mAh battery, skilfully staying under the IATA's flight regulations for carry-on batteries. Now, you can cross continents with the assurance that your devices will remain charged. Whether preparing for an important presentation or indulging in some in-flight entertainment, the Ark's generous capacity has you covered.

Unparalleled Fast-Charging Capability
With a 140W of USB-C PD 3.1 power output, ALOGIC Ark charges even the most demanding laptops to keep you productive on the go. When connected to a 140W USB-C charger, the Ark itself recharges to 50% in just 30 minutes, or to 100% in a little over an hour. Its impressive charging speed ensures that your device is always ready for action, whether you're gearing up for a client meeting or simply enjoying your favorite game at a café.

Versatile Multi-Device Charging
ALOGIC Ark's vast power isn't just for your laptop; it also rapidly reenergizes up to three devices simultaneously via its two USB-C ports and one USB-A port. With specialized ports designed to allocate optimal power, you never have to choose between charging your laptop, phone, or other gadgets again – Ark intelligently manages it all.

Intelligent Digital Display
Stay informed with Ark's high-tech digital screen that displays crucial information such as charging speeds, remaining battery life, and estimated time until full charge. This smart feature allows you to strategize your charging sessions and ensures you're never caught off guard by a dead battery.

Airline-Approved for Carry-On Luggage
Traveling with power has never been so stress-free. The ALOGIC Ark meets global flight safety standards, allowing you to take this powerful charging station onboard. Rest easy knowing your devices will stay juiced from takeoff to touchdown and beyond.

Package includes:

- 1x ALOGIC Ark Power Bank - Silver
- 1x USB-C Charging Cable
- 1x User Manual

Product specifications:

- Input: USB-C with various voltage options up to 140W max (USB-C 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3A, 28V/5A (140W Max))
- Output: Dual USB-C and USB-A ports with various voltage options supporting up to 140W collectively (USB-C 1/2: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3A, 28V/5A (140W Max) USB-A: 5V/3A, 9V/2A, 12V/1.5A (18W Max) USB-C + USB-C + USB-A Charging: 65W + 65W + 22.5W (140W Max))
- Dimensions: 155mm x 53mm x 50mm (Lx W x H)
- Color: Silver
- Weight: 635 grams
- Battery Capacity: 27,000mAh
- Compliance: USB-C PD 3.1 standards
- Suitable for Charging: Apple MacBooks, Laptops with USB-C PD or Thunderbolt 3/4 charging (including gaming and high-performance laptops), phones, tablets, wireless earbuds, and portable games systems.
- 2 Year Warranty
