Introducing the Satechi USB4 NVMe SSD PRO ENCLOSURE, designed for premium, portable storage. This device expands your storage capacity while ensuring super-fast data transfer. Backed by the Satechi technology, it works globally, installs in less than a minute, and offers flexibility and ease of data access like never before.

- High-speed data transfer
- Easy installation process
- Wide compatibility
- Advanced thermal management
- Compact and portable

High-Speed Data Transfer

Satechi USB4 NVMe SSD PRO ENCLOSURE prioritizes efficient performance. Supporting ultra-high-speed data transfer, it lets you backup, store, and access your data in an instant, making it perfect for large data transfers, gaming installations, or boosting your overall device performance.

Easy Installation Process

With Satechi USB4 NVMe SSD PRO ENCLOSURE, installation is a breeze. Owing to its user-friendly design, setting up the device takes less than a minute. You can expand your device's storage capacity quickly and effortlessly right when you need it.

Wide Compatibility

We understand diversity in tech needs. Therefore, our USB4 NVMe SSD PRO ENCLOSURE is designed to be universally compatible. It works with any device that supports USB4 with high-grade speed and efficiency, making it a versatile addition to your tech arsenal.

Advanced Thermal Management

Integrated with advanced thermal management technology, Satechi USB4 NVMe SSD PRO ENCLOSURE ensures your device never overheats, maintaining optimal performance and ensuring the longevity of both the enclosure and your SSD.

Compact and Portable

Despite its superior performance, the USB4 NVMe SSD PRO ENCLOSURE boasts a compact, sleek design, making it highly portable. Now, your important data can travel with you, anywhere, anytime.

Package Includes:

- USB4 NVMe SSD Pro Enclosure - Space Grey
- Clear Case
- Thermal Pad
- USB-C Cable
- Screw/Screw Driver

Product Specifications:

- Colour: Space Grey
- Supported Drives: NVMe PCIe M.2
