Expand your connectivity
The Satechi 4-in-1 USB-C Slim Multiport Adapter offers a comprehensive solution for all your connectivity needs. It has four versatile ports, including a 4K HDMI output, two USB 3.0 ports, and one USB-C port, allowing you to connect multiple devices simultaneously. No more dealing with limitations or constantly swapping connections; it's designed to keep you connected and productive.

High-resolution 4K HDMI output
Experience crystal-clear video quality with the adapter's high-resolution 4K HDMI output. Perfect for presentations, streaming, and extended screen use, you can connect your laptop or tablet to an external display and enjoy cinema-grade viewing. The sharp, vibrant output ensures that everything from charts to movies is clearly displayed.

Fast data transfer speeds
The USB 3.0 port can instantly transfer files, with speeds of up to 10Gbps. Whether moving large files, syncing your devices, or backing up data, enjoy the reliability and speed that Satechi's adapter provides. Spend less time waiting and more time being productive.

Ultra-compact and portable design
Designed with portability in mind, the Satechi Multiport Adapter is ultra-compact and lightweight, making it easy to carry in your bag or pocket. The sleek black finish looks sophisticated and complements your other devices. It's the ideal companion for those who need reliable connectivity on the go.

Universal compatibility
The Satechi 4-in-1 USB-C Slim Multiport Adapter is compatible with many USB-C devices, including laptops, tablets, and smartphones. With its plug-and-play functionality, there's no need for additional drivers or software; connect and you're ready to go. It's the ultimate accessory for tech enthusiasts and professionals alike.
