Aluminium Construction with Sleek Design
The Satechi Aluminum Stand Hub boasts a slim, modern design constructed from top-grade aluminium. Its elegant finish makes it the perfect fit for your home or office workspace.

Inventive Combination of a Stand and USB Hub
This innovative design serves a dual function as a stand, and a USB hub for your Mac Mini, all achieved using a single Type-C connection. It's the first of its kind, paving the way for efficient computing.

6-In-1 Expansion Ports
Fitted with a USB-C data port, three USB-A 3.0 ports, micro/SD card readers, and a 3.5mm headphone jack port, it expands your possibilities and keeps your peripherals within reach.

Built-In Air Vents For Added Cooling
Equipped with built-in air vents, it complements your Mac Mini's look, helps regulate temperature and promotes proper airflow, especially when multiple devices are connected.

Patent Pending Design
Specially designed to feel like a natural extension of your Mac Mini, its patent-pending design is geared towards improving your computing and overall work experience.
