SATECHI

Satechi Dual USB-C Hub for Surface Pro 9 - Silver

Designed to elevate your Surface Pro 9 features, the Satechi Dual USB-C Hub transforms your device into a power-packed workstation. It merges modern functionality and enhanced connectivity, embodying an elegant, sophisticated design that perfectly complements your Surface Pro 9.

- Dual USB-C Connectors
- USB4 Pass-Through Port
- HDMI Port
- SD & Micro SD Slots
- USB-A 3.2 Data Port

Dual USB-C Connectors
The Satechi Dual USB-C Hub is designed with Dual USB-C connectors to enhance significantly your Surface Pro 9's connectivity. Now, connect multiple devices simultaneously without having to compromise on work productivity.

USB4 Pass-Through Port
With incredible 40 Gbps speed, 100 W power delivery, and 6K@60Hz performance, the USB4 Pass-Through Port sets new standards in connectivity and efficiency. Experience the seamless power of high-speed data transfer and optimal device performance.

HDMI Port
The HDMI port supports an astounding 4K@60Hz resolution, delivering high-quality, crisp, and detailed images, making it an ideal choice for presentations, movie nights, or immersive gaming experiences.

Micro SD Slots
Offering UHS-I supported SD & Micro SD slots, the Satechi Dual USB-C Hub facilitates quick data transfer, making moving large files, photos, or videos easy.

USB-A 3.2 Data Port
The Satechi Dual USB-C Hub isn't just for multi-device coupling; it supports a USB-A 3.2 Data Port with transfer speeds up to 10Gbps. This feature ensures high-speed, reliable data transfer across devices.

Package includes

- Satechi Dual USB-C Hub for Surface Pro 9 - Silver
- User Manual
