Exclusive Design for MacBook Pro 14"

Specially crafted for the 2021 MacBook Pro 14", our Eco-Hardshell Case promises a snug fit and a sleek profile without interfering with the stylish design of your device. This case offers a lightweight solution to protect your MacBook Pro, making it ideal for on-the-go use.

Powerful Protection

Our Eco Hardshell Case is more than just a pretty face. With an added anti-scratch and anti-fingerprint treatment, your MacBook is shielded against potential wear and tear, keeping it looking fresh and clean just how you like it.

Unique Cutouts for Easy Access

We understand the need for seamless interaction with your MacBook, so our case features precise cutouts for easy access to all ports. This design also accommodates adaptors and hubs, such as our Pro Hub lineup, ensuring unobstructed usage.

Anti-Slip Padding

Stability is vital; with the Eco Hardshell Case, that's precisely what you get. Equipped with anti-slip grip feet on the bottom case, it provides better heat disbursement and keeps your MacBook Pro secure, preventing shifting during use.

Designed with Air Ventilation

Stay cool with our case's built-in air ventilation. Strategically aligned with the MacBook Pro vents, these slots facilitate proper heat dissipation to help keep your device cool and performing at its best.
