SATECHI

Satechi Mac Mini M4 Stand & Hub with SSD Enclosure - Silver

Transform your 2024 Mac Mini into the ultimate workstation with our next-generation Stand & Hub. This patented, all-in-one solution seamlessly integrates with your Mac Mini M4 or M4 Pro, delivering enhanced connectivity, expandable storage, and sophisticated thermal management in one sleek aluminum package.

- Versatile connectivity
- 10Gbps data transfer with Gen 2 USB-C Technology
- Extendable storage up to 4TB with multiple SSD sizes
- Convenient power access
- Thermal management

Versatile connectivity
Access all your essential ports from the front panel for effortless connections. With multiple USB-A ports providing legacy device compatibility, you'll never struggle to connect your peripherals again. The thoughtfully designed hub expands your Mac Mini's capabilities while maintaining a clean, minimalist aesthetic.

Blazing-fast data transfer
Powered by cutting-edge Gen 2 USB-C technology, the USB-A 3.2 ports deliver extraordinary 10Gbps transfer speeds. Move massive files in seconds—transfer up to 3,000 high-resolution images in just one minute, dramatically boosting your productivity and workflow efficiency.

Expandable storage solution
Future-proof your setup with the enhanced built-in NVMe SSD enclosure. Supporting extended storage of up to 4TB and compatible with multiple SSD sizes (2230/2242/2260/2280), you can easily expand your storage capacity without compromising performance or aesthetics.

Convenient power access
Experience true convenience with the dedicated power button opening strategically positioned on the back of the hub. Power on your Mac Mini with a simple touch—no more lifting or adjusting your computer. This thoughtful design feature streamlines your daily workflow.

Efficient thermal management
Our patented thermal design keeps your system running at peak performance. The premium aluminum construction aids in heat dissipation, while the included thermal pad prevents SSD overheating during intensive tasks. Bottom vents and a recessed top ensure optimal airflow, maintaining system stability even under heavy loads.

Engineered for Excellence
The Satechi Mac Mini M4 Stand & Hub combines sophisticated engineering with practical functionality. The built-in cable management system eliminates desktop clutter, while the durable aluminum construction perfectly complements your Mac Mini's aesthetic. The thermal pad efficiently absorbs and dissipates heat, preventing SSD throttling during demanding operations.

Package includes:

- Satechi Mac Mini M4 Stand & Hub with SSD Enclosure - Silver
- Screw and screwdriver for SSD installation
- Thermal pad
- User manual

Product specifications:

- Host Cable: USB-C 3.2 Gen 2
- 2 x USB-A 3.2 Gen 2: Up to 10Gbps
- 1 x USB-A 2.0: Up to 480Mbps
- 1 x SD 4.0 UHS-II: Up to 312 MB/s
- 1 x M.2 NVMe SSD Enclosure: Up to 10Gbps
- NVMe Compatibility: 2230/2242/2260/2280 SSDs
- Dimensions: 5 in x 5 in x 0.81 in (127 cm x 127 cm x 2.06 cm)
- Weight: 6.8 oz (192 g)
- Cable Length: 3.15 in (8 cm)
- Colour: Silver

Device Compatibility:

- Mac Mini (M6, 2026)
- Mac Mini (M5 Pro, 2026)

SPECIFICATIONS

Carton: 10/40
